## Intake Checklist for Providence Community ABA

Thank you for choosing Providence Community ABA to provide therapeutic care for your child. Please gather the following items below:

- Formal Doctor Diagnosis Report
  - A formal diagnosis report must include Doctors name and date of diagnosis
- Doctor Referral Letter (not required for Tricare)
- IEP (for children in school or head start program)
- Copy of Insurance Holders ID/Drivers License
- Copy of Insurance Card - front and back (not required for Tricare)
- Completed Intake Questionnaire Packet

Please submit the intake packet and above items to: [nana@aba-providencecommunity.com](mailto:nana@aba-providencecommunity.com)

---

## Personal Items in Clinic

Below is a list of items that your child might want to bring to session. Your child will be provided a cubby area to keep items through the week. Please be sure to take personal items home to launder at the end of each week.

- Lunch (food of choice)
- Snacks
- Water bottle (milk, formula or juice etc... if applicable)
- Blanket
- Pacifier (if applicable)
- Change of clothes
- Diapers (if still using)
- Wipes

Note: Providence Community ABA highly discourages parents and guardians from sending sugary foods or candy in place of a healthy snack or lunch item.
